IMPORTANT CUSTOMER INFORMATION

Who is the Insurer

The insurer is Wesfarmers General Insurance Limited, trading as Lumley Insurance, (ABN 24 000 036 279 AFS Licence No. 241461) . In this booklet unless otherwise stated, the insurer is called 'we', 'us', 'our' or 'Lumley Insurance'. Our contact details are on the front page of this document.

About our Product Disclosure Statement and Policy Wording

This document (which is our Product Disclosure Statement and policy wording ('PDS') contains important information about this Personal Accident & Sickness insurance and how it works. Before making a decision, please read this document carefully.

Other documents may form part of our PDS. Any such documents will include a statement identifying them as part of this PDS and will be provided at the same time as this PDS.

How this insurance works

This insurance is entered into with the insured and is designed to provide cover in relation to certain insured persons who fall within the eligibility criteria. In some cases the insured may also be an insured person. The insured and insured persons may also be referred to as 'you' and 'your' in this Important Information Section.

Those insured persons who fall within the eligibility criteria get automatic access to the cover we have agreed to provide under this Policy by way of a statutory right under section 48 of the Insurance Contracts Act 1984 (Cth).

Such persons have the same obligations in relation to a claim made by them that the insured would have to us (e.g. complying with claims conditions such as subrogation) and may discharge the insured's obligations in relation to a loss. The insurer has the same defences to an action by them as they would have against the insured.

They are not contracting insureds (e.g. they cannot cancel or vary the Policy – only the insured can do this) and do not enter into any agreement with us as their right is only provided by reason of the above section of the Insurance Contracts Act. Neither we nor the insured hold anything on trust or for the benefit of such persons.

The insured does not act as our agent, and acts independently from us in entering into this insurance to provide cover to insured persons, does not hold an Australian Financial Services Licence and is not authorised to provide any recommendations or opinions about the insurance or other financial services to an insured person.

Any notices of non renewal, variation, avoidance or cancellation will be sent by us to the insured not insured persons. The insured will notify insured persons when this occurs.

Applying for cover

When the insured applies for this insurance, they will need to complete an application form. We will use and rely on the information supplied by them to decide the terms of cover we will provide. We provide cover to the insured and insured persons on the terms contained in this document and any other document that we tell them forms part of the terms and conditions of cover, including the most recent Schedule.

The Schedule will contain important information relevant to the insurance including who the insured and the insured persons are, the Period of Insurance, the applicable benefits and limits, the premium, details of the Excess Period and whether any standard terms have been varied by way of endorsement.

All of these make up the insured's 'Policy' with us. These documents should be kept in a safe place.

What you need to read

To determine if this insurance is appropriate for you, it is important that you read:

- this Important Customer Information Section – it contains information on important matters you need to be aware of in relation to this insurance;

IMPORTANT CUSTOMER INFORMATION (continued)

- the Definitions Section – it sets out what we mean by certain defined terms in this insurance;
- the Cover Section – it sets out the cover we can provide under this insurance;
- the General Exclusions Section – it sets out what we do not cover under any Section;
- the General Conditions Section – it sets out the details of the insured's, the insured persons' and our rights and obligations under this insurance, including what you need to do if you need to claim; and
- any other documents we provide about the insurance which may change the standard cover.

If you do not meet your obligations in relation to the Policy, we may cancel this insurance and/or reduce our liability in respect of a claim to the extent permitted by law.

Services Provided by Lumley Insurance and General Advice Warning

We are an Australian Financial Services Licensee (No. 241461) and are authorised under our licence to deal in and provide general advice on this insurance.

Any advice we or our representatives provide is general only and does not take into account your personal objectives, financial situation or needs. Because of this you should, before acting on the advice, decide if it is right for you and consider the information contained in this document carefully.

Our employees are paid an annual salary and possibly bonuses on achievement of company goals. They are not otherwise remunerated for any advice or dealing service that they provide to you unless they tell you otherwise.

When you may not be covered

We may refuse to pay or reduce the amount we pay under a claim in certain circumstances. In particular, where an exclusion applies and if you do not comply with the terms and conditions of the Policy.

An insured person's access to cover may end before the Period of Insurance ends. For example, if they reach a certain age, or if the insured cancels the Policy. Insured persons need to make sure they understand when this can occur.

We may cancel the Policy in certain circumstances permitted by law e.g. if the insured fails to comply with a condition or breaches its duty of disclosure. See the General Conditions for details. If this happens, the cover for insured persons will also cease, but this will not affect the rights of any person which arose before cancellation.

If the insured fails to comply with its duty or disclosure or makes a misrepresentation when applying for cover which is:

- fraudulent, we may treat the Policy as if it was never effected and the insured and insured persons, will not be entitled to cover.
- not fraudulent (or we choose not to exercise the above right), we may reduce our liability under the Policy in respect of a claim made under the Policy. We will, however, be entitled to cancel the Policy in accordance with our cancellation rights (see the General Conditions for details).

IMPORTANT CUSTOMER INFORMATION (continued)

Summary of Cover and other significant matters

(Read the full terms, conditions and exclusions of the Policy for a full explanation of the cover)

By way of summary, either Injury Cover or Injury and Sickness Cover can be chosen. Sickness Cover is not available on its own. These covers provide:

- **Injury Cover** – if an insured person suffers a defined Injury (which must occur during the Period of Insurance and Scope of Cover) and this solely results in one of the covered Events set out in the Table of Benefits occurring within 12 consecutive calendar months of the insured person's Injury, we will pay the insured person (or such other persons we specify in the Policy) the applicable lump sum or Weekly Compensation listed for the relevant condition.
- **Sickness Cover** - if an insured person suffers a defined Sickness (which must first occur or manifest itself during the Period of Insurance and Scope of Cover) and this solely and independently results in the insured person being Temporarily Totally Disabled within 12 consecutive calendar months of the Sickness first occurring or manifesting itself, we will pay the insured person (or such other person we specify in the Policy) the Weekly Compensation specified in the Table of Benefits for the disability.

Some Additional Benefits for Disappearance, Exposure, Rehabilitation Expenses and Home Renovation Expenses are provided.

Refer to each cover section for details on the basis on which we settle any claim.

We only provide cover for the events specified as covered in the Schedule up to the amount(s), limit(s) and sum(s) insured and for the period of time specified in the Policy and subject to its other terms, conditions and exclusions. All amounts insured exclude GST.

You need to make sure that you are satisfied with the extent of the cover provided by this insurance. If not you may not get the cover you require.

Excess Period

An 'Excess Period' applies for disablement claims.

If an insured person is continuously Temporarily Totally Disabled or Temporarily Partially Disabled for the whole Excess Period and they are entitled to Weekly Compensation under this insurance, we will begin our payments at the end of the Excess Period subject to the terms of the Policy. No payment is made for or during the Excess Period.

We agree on the Excess Period with the insured and it is specified in the Schedule. This may be subject to an additional excess period that applies to disability claims arising from sporting injuries (see General Exclusion No. 7).

The Excess Period applies to all claims made under the Cover Sections of the Policy as a result of a recurrence of the same Injury or Sickness referred to in clause 2 'Specific limitations applicable to Weekly Compensation benefits' of the Limitations on the Cover section of this document on page No.15.

Cost of the insurance

The insurance provided is subject to the insured's payment or agreement to pay the premium we require by the agreed time. In order to calculate the premium, we take various factors into consideration, including:

- the type and amount of cover requested;
- the insured person's age, sex, occupation, medical history and any dangerous activities they partake in;
- the size of the insured's payroll;
- the insured's previous insurance history.

Factors that increase the risk generally increase the premium (e.g. extra cover or higher sums insured or an adverse claims experience) and those that lower the risk, reduce the premium payable (e.g. less cover, a longer Excess Period or good claims experience).

IMPORTANT CUSTOMER INFORMATION (continued)

The premium also includes amounts that take into account our actual or estimated obligation to pay any relevant compulsory government charges, taxes or levies (for example, Stamp Duty and GST where applicable) in relation to the Policy. We will tell the insured when they apply what premium is payable, when it needs to be paid and how it can be paid.

If cover is effected, the amounts due will be clearly set out in the Schedule.

The insured may be able to pay the premium by instalments.

If the insured pays the premium by 7 or more instalments each year and fails to pay an instalment on time, then if:

- an instalment remains unpaid for at least 14 days, we may refuse to pay a claim arising after payment was due; and
- an instalment remains unpaid for at least 1 month, we may cancel the Policy.

Insured persons may need to pay the insured an amount in order to access the cover. The insured will inform an insured person if any amount is payable and how and when it must be paid before they access cover. Any such amount payable is not premium as insured persons are not contracting parties to the Policy.

Duty of Disclosure

Before a person enters into a contract of general insurance with us, they have a duty under the Insurance Contracts Act 1984 to disclose to us every matter that they know, or a reasonable person in the circumstances could be expected to know, is relevant to our decision whether to accept the risk of the insurance and, if so, on what terms.

The Act imposes a different duty the first time that a person enters into this contract of insurance with us, to that which applies when they renew, vary, extend or replace this contract of insurance.

The insured's Duty of Disclosure when they enter into this contract of insurance with us for the first time

We will ask the insured various questions when they first apply for this contract of insurance that are relevant to our decision whether to accept the risk of insurance and if so, on what terms. When the insured answers those questions, they must:

- give us honest and complete answers;
- tell us everything they know; and
- tell us everything that a reasonable person in the circumstances could be expected to know.

The insured's Duty of Disclosure when they renew, vary, extend, reinstate or replace this contract of insurance

When the insured renews, extends, varies or reinstates their contract of insurance with us, the insured's duty is to disclose to us before the renewal, extension, variation or reinstatement, every matter that they know, or a reasonable person in the circumstances could be expected to know, is relevant to our decision whether to accept the risk of the insurance and, if so, on what terms.

What the insured does not need to tell us

The duty however does not require disclosure of a matter:

- that diminishes the risk to be undertaken by us;
- that is of common knowledge;
- that we know or, in the ordinary course of business, ought to know;
- as to which compliance with the duty is waived by us.

Who does the duty of disclosure apply to?

The duty of disclosure applies to the insured.

IMPORTANT CUSTOMER INFORMATION (continued)

What happens if an insured does not comply with the duty of disclosure?

If an insured fails to comply with the duty of disclosure, we may be entitled to reduce our liability under the Policy in respect of a claim or cancel the Policy. If the non-disclosure is fraudulent, we may be able to treat the Policy as if it was never effected.

Cooling off rights

Even after making a decision to purchase this insurance, the insured still has cooling off rights. The insured can return the Policy by notifying us in writing within 21 days of cover commencing and we will refund the premium paid less any government taxes and charges that we cannot recover unless something has occurred for which a claim may be payable under this insurance. Even after this cooling off period ends, the insured still has cancellation rights (See General Conditions).

Confirming Transactions

The insured may contact us in writing or by phone to confirm any transaction under the Policy if they or their financial services provider do not already have the required Policy confirmation details.

Code of Practice

The Insurance Council of Australia Limited has developed the General Insurance Code of Practice, which is a self regulatory code for use by all insurers. The Code aims to raise the standards of practice and service in the insurance industry.

We have adopted and endorsed the Code. For details please contact us.

How to Make a Claim

If an insured or an insured person wishes to make a claim, they should in the first instance contact their insurance broker, financial services provider or us.

Details about making a claim are set out in the General Conditions.

Before we pay any claim, we may require receipts or reports from one or more Medical Practitioners and other documentary evidence. Please ensure that these are kept in a safe place.

Complaints - Internal and External Complaints Procedure

If the insured or an insured person has a complaint, they should contact us and explain what the complaint is and the reasons behind it.

We will then either resolve or attempt to resolve the complaint immediately and if it is unresolved, we will refer the matter to our Internal Dispute Resolution Committee (IDRC).

If the insured or the insured person who has made the complaint is not satisfied with the decision of the IDRC, they may be able to access the services of an independent external dispute resolution body called Financial Ombudsman Service (FOS).

For further information about our dispute resolution process, please contact us.

Privacy

In this Privacy clause, 'you' and 'your' refers to the insured and each insured person.

We are bound by the National Privacy Principles of the Privacy Act 1988(Cth) when we collect and handle personal information provided by you (this includes the personal information of other persons that you, or others, have provided to us in relation to this insurance including insured persons).

We collect personal information for the purpose of providing insurance, including arranging insurance, policy administration and claims handling. We also collect your personal information to conduct market or customer satisfaction research and to develop and identify products and services that may interest you. If necessary, we may collect information about your health and other sensitive information, but we will obtain your consent before doing so unless the collection is required or permitted by or under law.

IMPORTANT CUSTOMER INFORMATION (continued)

We disclose personal information to persons we deal with in providing our services to you, for example, reinsurers, insurance intermediaries, insurance reference bureaus, credit reference agencies, our and your advisers and those involved in the claims handling process, for the purposes of assisting us and them in providing relevant services and products, and for the purposes of litigation. We limit the use and disclosure of any personal information provided by us to them to the specific purpose for which we supplied it. By providing your personal information to us, you consent to us making these disclosures.

Without this information, we may not be able to provide you with the services you require.

When you give us personal information about other individuals, we rely on you to have made or make them aware that you will or may provide their information to us and the types of third parties we may provide it to, the relevant purposes we and the third parties will use it for, and how they can access it. If you have not done or will not do either of these things, you must tell us before you provide the relevant information.

If you would like a copy of our Privacy Policy, would like to seek access to or correct your personal information, or opt out of receiving materials we send, please contact us.

Updating our Product Disclosure Statement

We may need to update this PDS from time to time if certain changes occur where required and permitted by law. We will issue the insured with a new PDS or a Supplementary PDS or other compliant document to update the relevant information except in limited cases. Where the information is not something that would be materially adverse from the point of view of a reasonable person considering whether to buy this insurance, we may issue the insured with notice of this information in other forms or keep an internal record of such changes (the insured can get a paper copy free of charge by calling us).

Compensation Arrangements

The *Corporations Act 2001 (Cth)* requires licensees to have arrangements for compensating retail clients for losses they suffer as a result of a breach by the licensee or its representatives of Chapter 7 of this Act, unless an exemption applies. We are exempt from this requirement because we are an insurer supervised by the Australian Prudential Regulation Authority and subject to the prudential requirements of the *Insurance Act 1973 (Cth)*.

Our contact details

If the insured, an insured person or their financial services provider needs to contact us, have any questions or would like any further information regarding this insurance, please contact us using the contact details provided in this document or where relevant, or at our local office.

LIMITATIONS ON THE COVER

In respect of Events 1-20:

- (a) compensation shall not be payable for more than one Event in respect of the same Injury, in which case the highest compensation will be payable.

- (c) if the insured person is in receipt of Weekly Compensation and becomes entitled to receive compensation for a Capital Benefit as a result of the same Injury, we will also pay the Capital Benefit sum if it is higher. If we pay the higher Capital Benefit sum, then the Weekly Compensation being paid for that Injury will cease and we will have no further liability under the Policy. Any Weekly Compensation already paid will not be deducted from the Capital Benefit sum.

2. Specific limitations applicable to Weekly Compensation benefits

The following apply in relation to Weekly Compensation:

- (f) no further compensation will be payable under the Policy and all cover will cease for an insured person if the insured person becomes entitled to:
 - (i) a 100% Capital Benefit Sum Insured payment as stated in the Schedule; or
