

lumley finance

Product Profile

Insurance premium financing is now a well established and widely accepted financing product. Businesses and individuals alike use premium financing to spread the lump sum burden of insurance costs.

Lumley Finance has extended the broad principles of insurance premium finance to meet the needs of professionals to provide payment options for their clients.

COVER

Premium Finance

All funding greater than \$500.

For you, the Broker:

- Lumley Finance believes in long term relationships.
- Our goal is to provide the best service offering in the market.
- We are committed to understanding your business needs better and meeting your client's premium funding needs.
- Settlement dates are calculated from inception/renewal, guaranteeing payment when you require it. Cancellable loans may be settled in 24 hours on request.
- Lumley Finance "Select" is a web based management system which provides you with flexible and generous options for quoting and co-ordination of your funding portfolio.
- We fund all forms of insurance policies including workers compensation and other non-cancellable policies across all loan amounts.
- On-line endorsements can easily be added to existing loans.
- Facilitation of Foreign Exchange loans.
- Auto renewal facilities.
- Streamlined loan approval process.
- You deal with a dedicated local business relationship manager.
